

CORPORATE SPONSORSHIP PACKAGE

National Association of Career Colleges

2026

DEAR SUPPORTERS OF CANADA'S REGULATED CAREER COLLEGES

We are pleased to present the 2026 Corporate Sponsorship Package for the National Association of Career Colleges (NACC), offering meaningful opportunities to connect with a national network of regulated career colleges and sector partners. Today, NACC's 500+ members represent more than 200,000 students, faculty, and community stakeholders across Canada, delivering career-focused education in high-demand fields.

As we look ahead to 2026, we are building on strong momentum from recent years, including the success of NACC's 2024 National Conference. In 2025, we explored a new slate of programming, including ceremonies, and a new virtual event series, "Leading Forward," delivered throughout the year. Engagement across both online and in-person events continues to grow, reflecting the sector's increasing focus on collaboration, workforce development, and policy dialogue.

In 2026, NACC will deliver a full calendar of national programming, highlighted by the NACC 2026 National Conference in Ottawa. Alongside flagship in-person events, NACC will continue to expand virtual offerings that support connection, knowledge-sharing, and accessibility for members and partners across the country. The year ahead presents a valuable opportunity to engage with a highly connected, sector-focused audience, and sponsor involvement will play an important role in supporting this work.

LETTER FROM THE NACC CEO

As we look ahead to 2026, I am encouraged by the continued growth of the National Association of Career Colleges and the expanding role our sector plays in workforce development across Canada. With that growth comes new opportunities to deepen partnerships with organizations that share our commitment to career-focused education and skills training.

NACC's national reach continues to strengthen. Our membership spans every province, our programming is expanding, and engagement across both in-person and virtual events continues to grow. The NACC 2026 National Conference in Ottawa will be our largest national gathering to date, reflecting the increased demand for collaboration, dialogue, and connection within the sector.

This growth creates meaningful opportunities for sponsors to engage with a highly connected, pan-Canadian network of college leaders, administrators, and partners. Through national events, professional development programming, and ongoing sector engagement, sponsors are positioned alongside the conversations shaping workforce training and student outcomes.

Partnerships play an important role in supporting this work. Sponsor involvement helps strengthen national programming, foster collaboration, and ensure NACC can continue to respond to the evolving needs of our members and the communities they serve.

I look forward to continuing these partnerships in 2026 and to welcoming new organizations interested in working alongside NACC as we expand our impact across Canada.

Michael Sangster

Chief Executive Officer,
National Association of Career Colleges

Our National Footprint

Member Engagement, Direct Connections

Career colleges play a critical role in building Canada's skilled and adaptable workforce. Through its national network, NACC connects sponsors to institutions delivering career-focused education in communities across the country.

Through NACC's member network, sponsors benefit from:

- Exposure across hundreds of campuses and diverse regional markets
- Visibility alongside colleges supporting thousands of graduates each year
- Reach decision-makers across multiple regions through one national partnership

Connecting members & stakeholders across Canada

NACC delivers a year-round calendar of online and in-person events that connect sponsors with regulated career colleges and workforce leaders across Canada. These programs create high-value opportunities for visibility, engagement, and thought leadership within a trusted national network.

Through NACC events, sponsors are positioned to:

- Engage with college leaders through national programming
- Participate in conversations shaping workforce development priorities
- Engage meaningfully in both virtual and in-person settings

nacc 2026 Conference

CAREERS, COAST TO COAST TO COAST

The NACC 2026 National Conference is the association's flagship in-person gathering, bringing together leaders from regulated career colleges across Canada for three days of learning, connection, and national dialogue. Hosted in Ottawa, the conference convenes senior decision-makers, sector experts, and partners to explore the policies, workforce trends, and practical challenges shaping career-focused education.

With attendance continuing to grow year over year, the 2026 Conference will be NACC's largest national event to date, offering a concentrated opportunity for engagement, visibility, and relationship-building within a highly engaged, pan-Canadian audience.

Through the NACC 2026 Conference, sponsors are positioned to:

- Be present at NACC's most visible and well-attended national event
- Engage directly with college owners, executives, and senior administrators
- Participate in sector-wide conversations on workforce development and training
- Build brand recognition within a focused, in-person professional setting
- Strengthen relationships through networking, programming, and onsite presence

Member & Stakeholder Receptions

This year, NACC is hosting exclusive receptions for members and supporting stakeholders providing a private setting for high-level networking and engagement with Canadian regulated career college leaders.

Platinum Sponsors will have the opportunity to connect with industry leaders in one-on-one conversations.
